Maybe have a couple of events per year to help educate parents and the community on SHAC and what we do.

Traci King makes a motion to have an event by SHAC possibly sponsored by Abilene Recovery Council. One for teachers and staff, one for the community. Shawn seconds. All in favor.

Potentially create a survey to students and family regarding physical activity, access to lunch menus.

Look at Wellness Plan Evaluation from 2017.

Healthy vending machines, a local family has a business that does this already.

Discussions regarding more of the possible topics from the TSHAC meeting agenda topics.

Review Physical Education requirements and how we measure up to that.
