

## SHAC Meeting 9/17/2018

Members Present: Michelle Bryant RN

Cleone McClure RN

Tommy Bryant     Chair

Shasta McClure     Teacher

Dylan Bryant     HS Student

Members reviewed Wellness plan, no new suggestions are made for changes or additions. SHAC funds are needed for the nurses to equip the safe rooms, and class rooms with emergency buckets. These buckets contain water, snacks, first aid supplies, and other items that provide things that may be needed if students are in their classrooms/safe rooms for an extended amount of time. The vote is unanimous to allow this money to be given to the nurses. Membership is discussed, and there are no solutions suggested to increase membership. Of the members present, time is the biggest obstacle to this committee. Next meeting is scheduled for November 26, 2018 at 415.
