

Jim Ned Middle School Band
MS Football Games 10/11

Parents,

The middle school band will be playing at the 7th and 8th grade football games Thursday, October 11 and the high school varsity game October 26. These are not required events, however they are great opportunities to have fun, support our football teams, and see what high school band is all about! If you already have other plans, please do not stress.

Middle School games Thursday, October 11 (7th and 8th grade games on the same night!)

Students will meet in the middle school band hall at 4:00 and we will bus them to the field. After the games students will ride the bus back to the band hall to put their instruments and music away. I estimate having students ready for pickup around 8:15pm, but I will keep you updated with times through the 7th/8th grade band remind. Please join this if you have not already done so. Information on it is at the bottom of the page.

Students who play football will play with us in the stands during the game they aren't playing in. 8th grade boys will play with the band during the 7th grade game and the 7th grade boys will play with us during the 8th grade game. 8th grade football players will leave the stands at 4th quarter so they can get changed and warm up for their game. 7th grade students should quickly change after their game and come to the stands to play with the band.

7th grade football boys will need to have a friend bring their instrument and music to the game. They will not need to ride the bus back to the band hall to put their instruments away. 8th grade boys will need to have a friend bring their instrument and music back to the band hall after their game. They will ride the bus with us to the stadium, but not back to the band hall.

I will have more information available on the high school football game very soon!

If there are any questions, please feel free to contact me via email or the 7th/8th grade band remind!

All the best,
Joshua Howeth
