

**Jim Ned Middle School Band  
MS Region Clinic and Concert**

Parents,

Your child has made it into the region band, which is REALLY exciting! This Saturday we will be going to the region clinic and concert in Ballinger, and playing with all of the best middle school musicians in the region. I have our schedule posted below; feel free to get in touch with any questions you might have.

Students will need to arrive at the Jim Ned Middle School band hall by 7:00am in their band shirt and jeans. They will need nice clothes for the concert (Sunday's best, in school dress code please). Parents are encouraged to attend the concert Saturday afternoon and may take their child home after the performance. I will be taking any students who wish to go to Alejandra's for dinner after the concert; parents are welcome to come, however I can only pay for students. Please let me know via email by Thursday if you would like to come with us to dinner so I can reserve the correct number of seats.
