I. Create Account & Enroll a New Student

Follow these steps to enroll a new student in the district.

1. [Create an ASCENDER ParentPortal account and log on.](#)

ASCENDER ParentPortal > Login

Before enrolling a student, create a user account in ASCENDER ParentPortal in order to obtain a user name and password to access the system. When you access ParentPortal, the Login page is displayed.

- Click **Create Account**.

The screenshot displays the ASCENDER ParentPortal interface. At the top left, the logo features a stylized 'A' with an orange triangle and the text 'ASCENDER PARENTPORTAL'. The top right shows 'English' and a help icon. A large banner image of a tree trunk is overlaid with the 'A' logo and the text 'ISD'. To the right is a 'Login' section with input fields for username and password, and buttons for 'Login' and 'Create Account'. Below the banner is a 'District Message' section with a scrollable area containing a welcome message and instructions for returning students. The bottom of the page is divided into three columns: 'New Student Enrollment' with a 'Create Account' button, 'ISD Documents' with a 'View/Download Documents' button and a list of document types, and 'ASCENDER Accessibility Statement'.

- The [My Account](#) page opens where you can add a student to your account and update your security and contact information.
- If you entered an email address or mobile number, you will receive a notification message containing a verification link.

NOTE: If you are not listed as a contact or as a guardian (i.e., student, step-parent, etc.), you will be a read-only user with limited access.

2. [Complete the new student enrollment process](#).

ASCENDER ParentPortal > My Account

If you are continuing from the previous step, the My Account page is displayed. Otherwise, log on and select My Account from the header menu.

If you have not already verified your email address using the link that was sent to your email address, you must do this now to continue.

IMPORTANT: If you do not have access to an email address, contact your student's campus.

The screenshot shows a form titled "Contact Information" with a back arrow icon in the top right. It contains two input fields: "Email Address:" and "Mobile Number:". To the right of the "Email Address:" field is a button labeled "Verify Email". To the right of the "Mobile Number:" field is a button labeled "Verify Mobile".

Verify the email address:

You must provide and verify your email address before you can access features that require your email address.

You can update your email address at any time.

If no email address has been entered, enter the address.

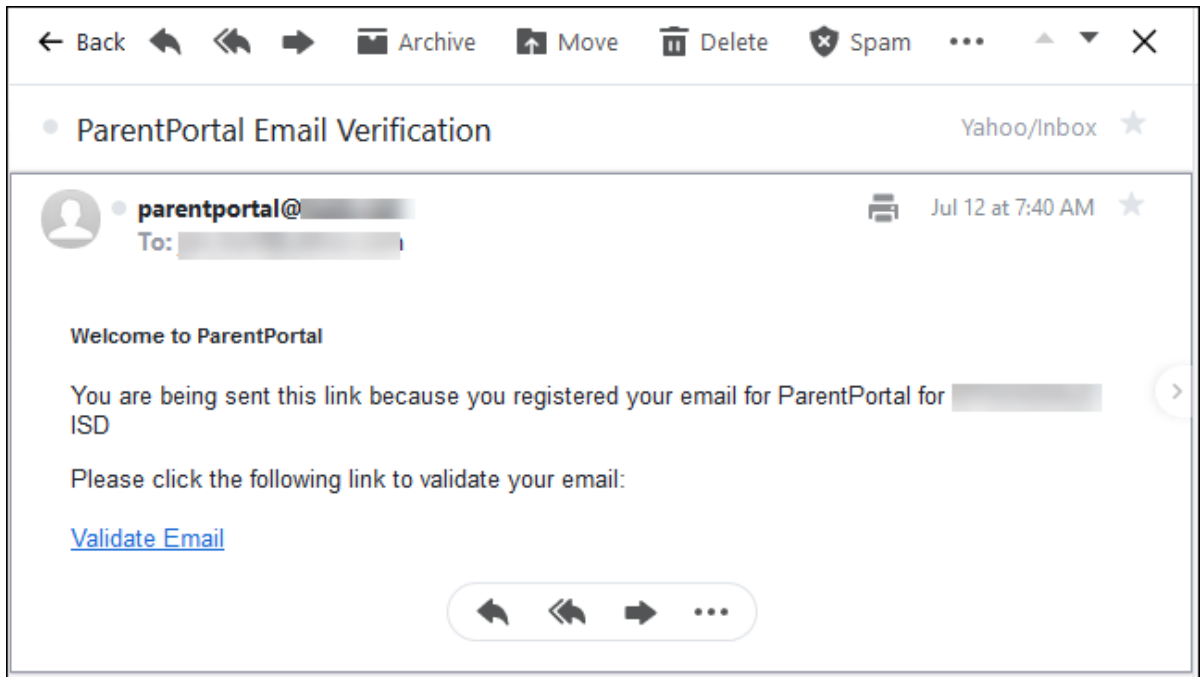

Email Address	Type your current email address. You cannot enter an email address that is already in use.
----------------------	---

Click **Verify Email**.

The screenshot shows the "Contact Information" form with the "Email Address:" field populated with "name@email.com". The text "Unverified" with a red 'x' icon is displayed to the left of the input field. To the right of the input field are two buttons: "Remove Email" (with a trash icon) and "Re-send". Below the input field, there is a message: "A verification link was sent to name@email.com. To verify your email address, click the link contained in the email message." The "Mobile Number:" field is empty, and the "Verify Mobile" button is visible to its right.

You will receive an email message at that address containing a verification link.

If you entered an email address when you registered for this ASCENDER ParentPortal account, you should have received an email message in your inbox with a code allowing you to verify your email address.

- If the email has been verified, your email address is displayed.
- If your email address has not been verified, you can click **Re-send** to send a new code.

☐ To enroll a student who has never been enrolled in the district, click **Enroll a New Student**.

The **New Student Enrollment** page opens.

ASCENDER ParentPortal > My Account > Enroll a New Student

The New Student Enrollment page allows you to go through the steps required to enroll a new student online using forms provided by the district, and then request an enrollment key which will allow you to complete the New Student Enrollment process.

Step 1 - Student Name:

Enter the student's full name and click **Continue**.

The screenshot shows the 'New Student Enrollment' web form. At the top, there is a progress bar with six steps: 1. Student Name (highlighted in orange), 2. Enrollment Key, 3. Addresses & Contacts, 4. Student Information, 5. Enrollment Forms, and 6. Final Steps. Below the progress bar, the form title 'New Student Enrollment' is displayed. A sub-header reads: 'Enroll a new student in the district. Only 10 new student enrollments can be active at any time. If you need to enroll more than 10 students, contact the school district for guidance.' The main form area contains a 'Student Name' input field. Below it, a section titled 'New Student Enrollment steps' lists six numbered instructions. A blue button labeled 'Skip to Step 4' is visible next to the text '*if you have previously enrolled students, you may'. Underneath, the instruction 'To get started, enter the student's name:' is followed by four input fields: 'First Name', 'Middle Name', 'Last Name', and 'Generation' (a dropdown menu). A blue 'Continue' button is located at the bottom right of the form.

Step 2 - Enrollment Key:

There are two possible methods for requesting an enrollment key. One of the following options will be available, as determined by the district.

- [Option 1 - Email Validation](#)

For this option, an enrollment key is sent to you in an email message.

New Student Enrollment

Enroll a new student in the district. Only 10 new student enrollments can be active at any time. If you need to enroll more than 10 students, contact the school district for guidance.

Express Enrollment for Janie Strayhan

1. Click the "Request Enrollment Key".
2. Check your email for the message containing the enrollment key.
3. Copy the enrollment key (contained in the email), and paste it into the box below, and click verify.

Once you obtain the key, you can enter the key on this page to complete the process. To do this, follow these steps:

- Click **REQUEST ENROLLMENT KEY** to request an enrollment key for your student.

A message is sent to your email address that contains the new 16-character student enrollment key.

- Check your email inbox for the message that contains the enrollment key.

Enrollment Key	You must enter the exact enrollment key in order to complete the enrollment process. The easiest way to enter the code accurately is to copy it from the email message and paste it into the field.
-----------------------	---

- Click **VERIFY**.

If you typed the enrollment key correctly, the message "Your key has been created and verified!" is displayed.

- [Option 2 - CAPTCHA Validation](#)

For this option, a key is generated once you correctly enter the CAPTCHA code. To do this, follow these steps:

This option is primarily used during a short-term enrollment event, such as Kinder Roundup.

- Type the CAPTCHA code exactly as it appears on the page.

- Click **Continue**.

If you typed the CAPTCHA code correctly, the message “Your key has been created and verified!” is displayed.

Also, the parent will receive an enrollment key by email. The parent should save this information for his records.

- Click **Continue**.

Step 3 - Addresses & Contacts:

Step 3 allows you to add physical addresses and mailing addresses for the student, family members, and other contacts.

New Student Enrollment

Enroll a new student in the district. Only 10 new student enrollments can be active at any time. If you need to enroll more than 10 students, contact the school district for guidance.

- If you have started the enrollment process for the student, the student's name is displayed.
- If his enrollment has successfully been submitted to the district, the submission date-time stamp is displayed.

(Optional) Click **Print** to print a confirmation message for each enrolled student.

The message contains the student's name, student enrollment key, and further instructions for your records.

What Happens Next?

Visit in person:

To complete the enrollment process, it may be necessary to go to the district or campus to deliver the downloadable forms and complete any steps that must be handled in person, as required by the district and campus. Contact your campus for these instructions.

Receive a ParentPortal ID:

Once the district or campus has completed your student's enrollment, the campus will issue you a ParentPortal ID for each student you successfully enrolled. You can use the portal ID to add the student to your account.

Once your student is completely enrolled and added to your account, he will be listed on your **My Account** page under **Students**.

3. [What happens next?](#)

Once the campus has accepted the enrollment of your student, the campus will issue you a unique ParentPortal ID for each student allowing you to add to student to your ParentPortal account.

Contact your campus for information about obtaining a ParentPortal ID for your student.

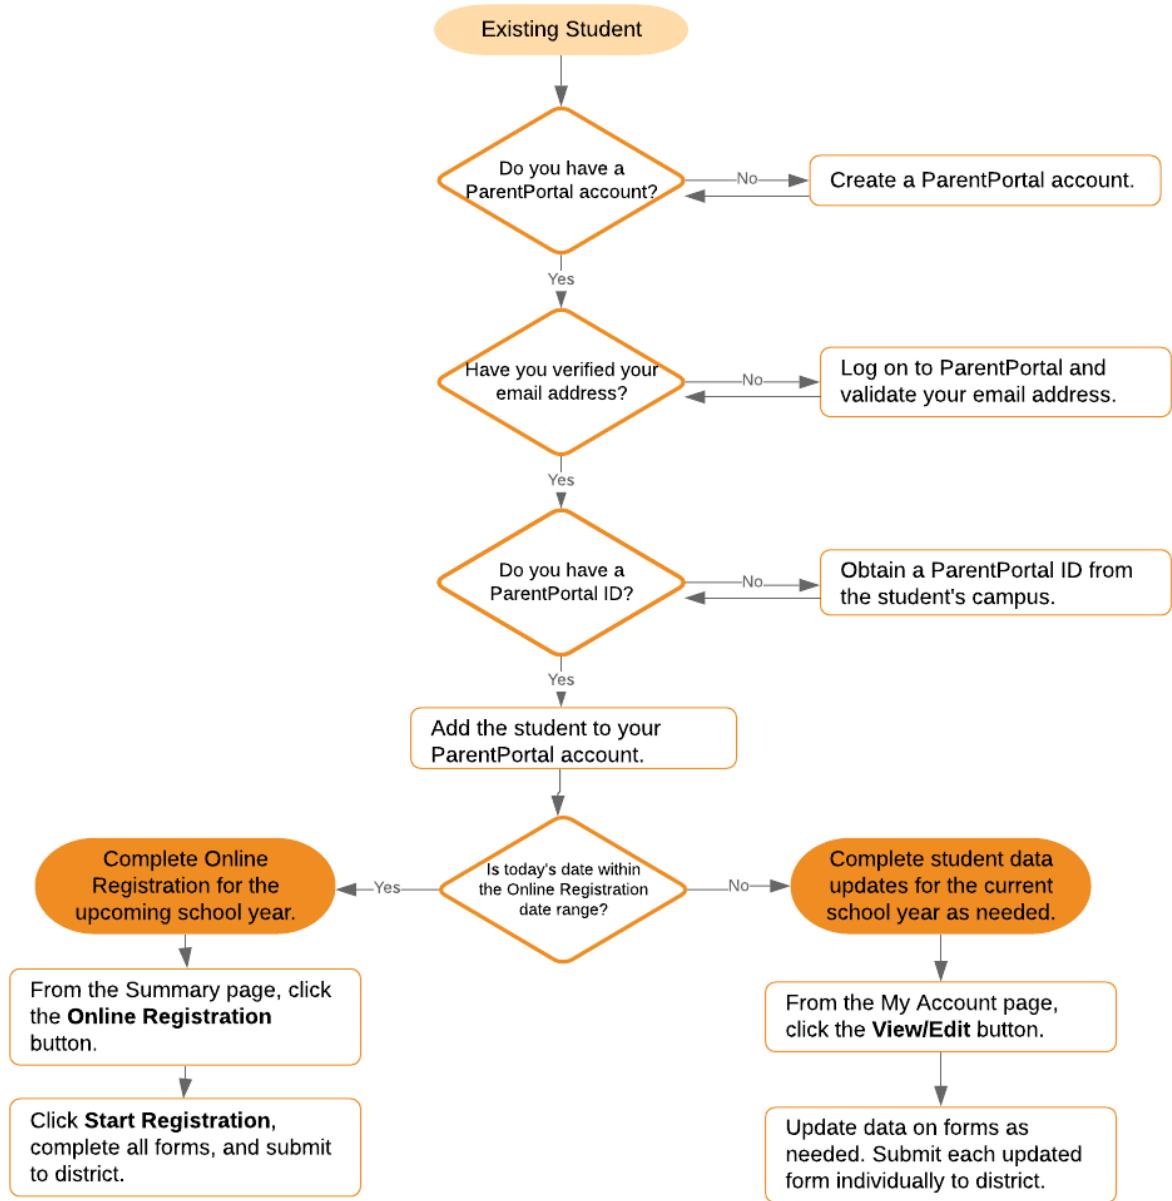

II. Add & Register Student

With a ParentPortal ID, you can add the student to your ASCENDER ParentPortal account and complete Returning Student Registration during the registration window.

ASCENDER ParentPortal - Enrollment, Registration & Data Updates

Parent Steps

Before continuing:

- The student must already be enrolled in the district.
- The parent’s email address for the student must already be verified via ParentPortal. *

* You must have already created a ParentPortal account AND verified your email address. (Verifying the email address can be done during the creation of a new account or for an existing account on ParentPortal > My Account (**Email Address**)). **NOTE:** The email address MUST match a parent/guardian's email address in the campus's records.

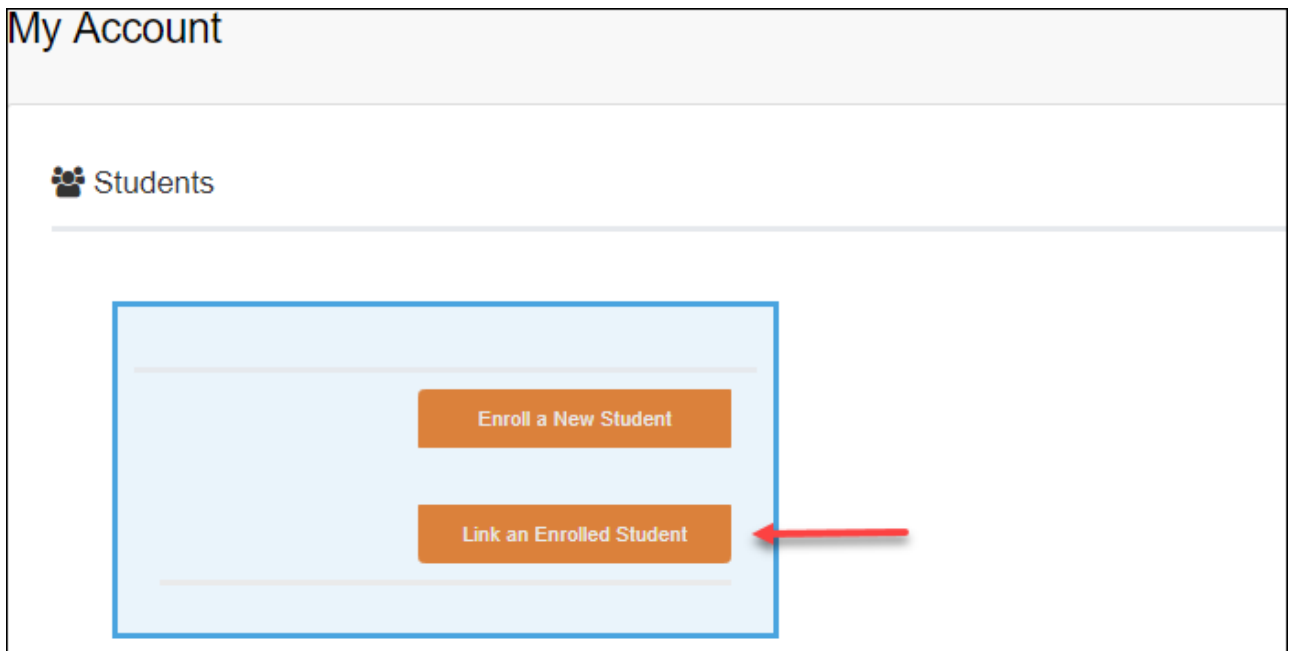

* If you do not have a valid email address, contact your student's campus.

Once you receive the ParentPortal ID:

1. [Add the student to your ParentPortal account.](#)

ASCENDER ParentPortal > My Account

If you are continuing from the previous step, the My Account page is displayed. Otherwise, log on and select My Account from the menu.

- From the My Account page, click **Link an Enrolled Student**.

A pop-up window opens.

Birth Date (MM/DD/YYYY) • (Ex: 03/11/1994)

ParentPortal ID	Type the ParentPortal ID provided by the student's campus. If you do not have this ID, you must contact the campus to get the ID. You cannot add a student without entering a valid student portal ID. The ID is case sensitive and must be entered exactly as it appears (example: qbQgk3qAs2z).
Birth Date	Type the student's complete birth date. The date entered here must match the birth date in the student's record at the campus. You cannot continue without entering the correct birth date.

Click **Add**.

If your student was successfully added to your account, his name will appear on the page. You will now be able to access your student's data.

During the Registration window:

1. [Register for the upcoming school year.](#)

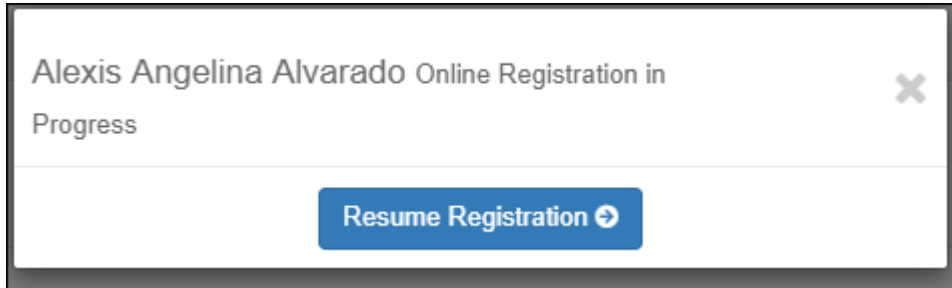

ASCENDER ParentPortal > Summary

Campuses typically require enrolled returning students to re-register each year for the upcoming school year and to complete forms that are required annually. Registration typically occurs during a range of dates according to district requirements. During those dates, you can access Registration from the student's Summary page.

During the annual online registration window:

You can easily see your student's progress in the registration process and access the page where you can complete the forms.

If your student's registration is in progress, a pop-up window opens from this page.

Click **Resume Registration** to continue the registration process. Or, click **X** to close the pop-up window and continue registration later.

Once you have completed registration, the pop-up window will no longer appear.

NOTE: On the Summary page, the **Registration** button will be red, yellow, or green depending on how far along you are in the process.

- The information is green if all forms are completed.

- The information is yellow if some of the forms are completed.

- The information is red if none of the forms are completed.

- The card is highlighted and has a check mark for the selected student.

- To begin or resume the registration process, click **Resume Registration** on the pop-up window, or click the **Registration** button on the student's card.

The [Registration](#) page opens.

- Click **Start Registration**.

The first form in the list opens on the right side of the page.

Depending on the form type and district requirements, a form will require one of two actions:

- View only or download
- Review and update

- **View only or download:** View the form and acknowledge that you have viewed the form. There is no data to enter.
 - For a static form, click **Download Attached Document** to open, save, and/or print the form.
 - For a standard form, the form automatically opens on the right side of the page.
 - By clicking **Next Form**, you are confirming that you viewed the form.
- **Review and update:** Review existing data. Add or update data as needed.
 - For a dynamic form, add or change data. Type over the existing data with new data where applicable.
 - For contact forms, all of the student's contacts are listed at the top of the form. Click the contact name to update information for that contact. Click **Add User** to add a new contact.

The screenshot shows a 'Contacts' section with three buttons: 'Home ,Kathleen (Pending)', 'Home ,Jon (New)', and 'Add User'. Below these buttons is a large number '2'. Underneath the number are two input fields: 'Contact: First Name' with the value 'Kathleen' and 'Contact: Middle Name' which is empty.

- If a field contains the **Document** button, you can click the button to upload a file related to online enrollment, such as a birth certificate, driver license, immunization record, or proof of residency.
- Texas standard forms must be re-submitted each year. All data must be re-entered.

Click **Next Form**.

The next form in the list is displayed on the right.

Continue reviewing forms and clicking **Next Form** until you have reviewed and updated all forms.

- If you are not ready to complete a form, click **Save Form** to save any data entered so far.
- If you leave ParentPortal before finishing registration updates, a **Resume Registration** button is displayed allowing you to continue where you left off.
- The list on the left side of the page displays **Pending** or **Complete**, indicating the status of the form.

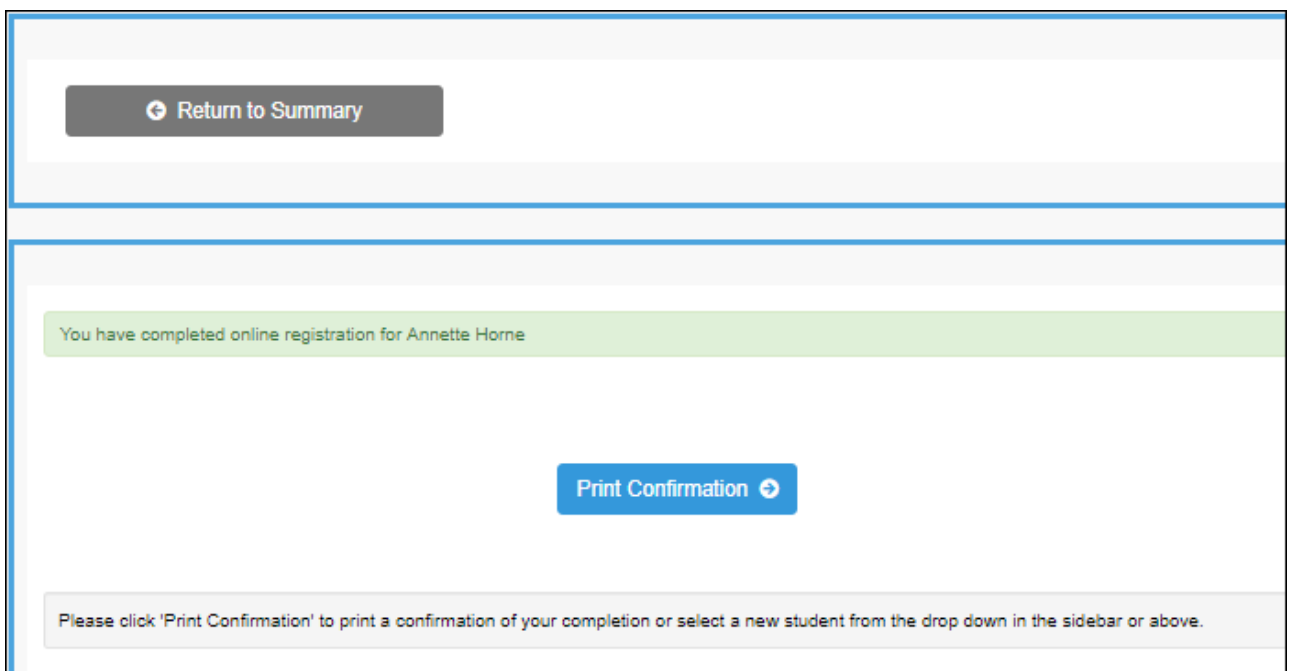

When you have viewed and entered all required data on all required forms, the **Finish and Submit to District** button is displayed at the bottom of the page.

- Click **Finish and Submit to District**.

The final page opens allowing you to print a confirmation for your records.

- Click **Print Confirmation**.

If you edit a pending field, your most recent change will overwrite the former pending change. The campus staff will approve the most recent change.

3. [What happens next?](#)

All data changes submitted via ParentPortal must be reviewed by an administrator before the student's record is updated.

- For most forms, each request is approved or rejected individually. For example, if you update your phone and address, the campus may approve the phone number change, but may require proof of residence before an address change is approved.
- For a Texas standard form, the form is accepted or rejected as a whole.

If campus staff rejects a submitted change, you will be notified by email. The email message should inform you why a particular change was rejected and what to do. Contact the student's campus for more information.

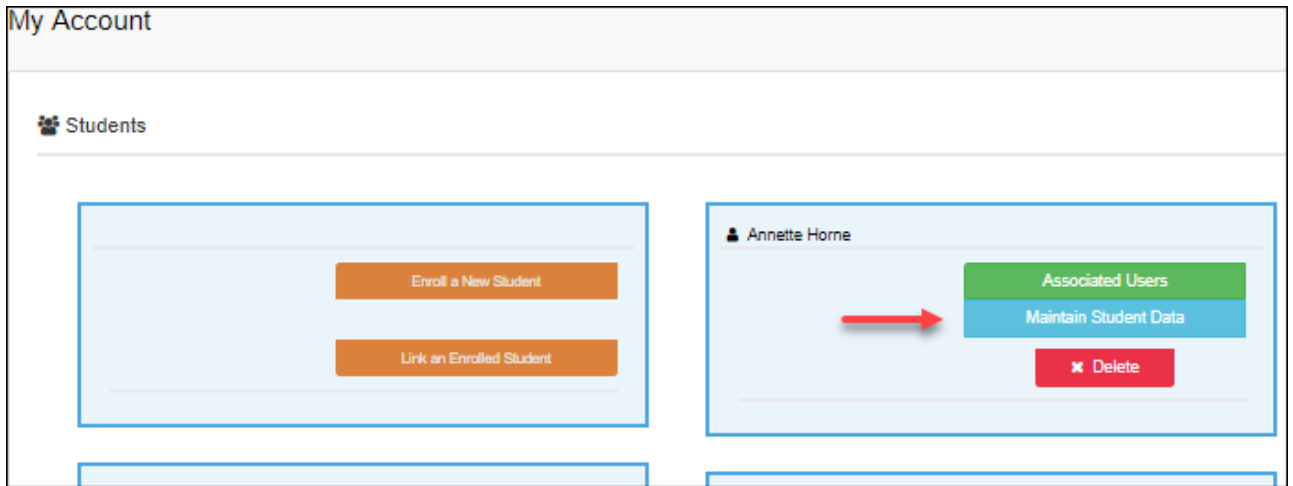

III. Maintain Student Data

If allowed by the district, you can submit a request to update your student's current year records at any time, such as an address or phone number change.

1. [Update current year data as needed.](#)
