

# Valentine's Day Project

## Create a Poster

### Must include the following

#### Use entire page

**INSERT WordArt** – Happy Valentine's Day

**INSERT Picture** from Paint – (your Valentine drawing)

Open Paint – Open your Valentine drawing / Click on Select / Drawing the rectangle around your Valentine drawing / Right Click – Copy / Open your Valentine Day Poster - Paste

**INSERT Clip Art** – (across the bottom of page)

Searching for Clip Art - OPEN Google Chrome – search for valentine clip art / Save Image As – to your personal folder / from Word document / Insert / Picture / search for saved image in your personal folder

**INSERT Border** – Insert / Shape - use rectangle shape to create the border – DO NOT put border at the edge of the page

**Border Color** – Red or Pink

**Print to Classroom Printer** – 1 of 1 page preview / Put Your Name on the back of poster / Turn into tray
